- Plenary Sessions: key decision makers will talk about economic and political cooperation between Ukraine and other European countries
- Over 30 discussion panels devoted to economic, political and social issues
- Presentations of Ukrainian regions, selected sectors of the economy, etc.
- Banquets: opportunity of a direct contact with Forum guests

Economic Accelerator

A new initiative of the **Institute for Eastern Studies (IES)**,
organizer of the Krynica Economic Forum

Startup Session at the Europe-Ukraine Forum is a part of Economic Accelerator

Economic Accelerator

a platform for meetings and cooperation of representatives of business, politics and science with startups, launched to facilitate the transfer of knowledge and experience, enrich the Polish startup ecosystem and show how important the role of innovation in the modern world is.

Economic Accelerator

Projects in the Economic Accelerator:

- **Startup Session** - startup path at all conferences organized by IES (Industry Forum, Europe-Ukraine Forum, European Congress of Local Governments):
 - Startup presentations
 - Competition for the best startups according to the Expert Committee and according to the public
 - The Startup Zone exhibition area
- **Investment Forum** - conference devoted entirely to startups, innovations, investments, digital revolution; Startup Award and Robot Show Contests
- **Startup Session Elite at the Economic Forum** - the startup path at the largest business and political conference in Central and Eastern Europe, during which the best startups selected during previous conferences will be presented and start-up ecosystem experts from around the world will perform
- **Economic Accelerator Academy** - a series of workshops for startups taking part in IES events
- **Economic Accelerator Abroad** - promotion of startups through trips to foreign fairs and conferences
- **Economic Accelerator Report** - a publication summarizing the yearly activities of the accelerator

Keep up to date with all startup projects organized by IES
